## SERVICE GUIDE FORMAT

Sheet Numbering – Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the Service Guide. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.

Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version. For example, the 4th revised Sheet 14 cancels the 3rd revised Sheet 14.

Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

- 2.
- 2.1.
- 2.1.1.
- 2.1.1.A.
- 2.1.1.A.1.
- 2.1.1.A.1.i.
- 2.1.1.A.1.i.l.
- 2.1.1.A.1.i.l.a.

Check Sheets - The check sheet lists the sheets contained in the Service Guide, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (\*). There will be no other symbols used on the check sheet if these are the only changes made to it (*i.e.*, the format, etc. remains the same, just revised revision levels on some pages).

---

1. DEFINITIONS (cont'd)

LATA

A Local Access and Transport Area established pursuant to the Modification of Final Judgment entered by the United States District Court for the District of Columbia in Civil Action No. 82-0192; or any other geographic area designated as a LATA in the NATIONAL EXCHANGE CARRIER ASSOCIATION, Inc. Service Guide F.C.C. No. 4.

Network

Refers to the Company's facilities, equipment, and Services provided under this Service Guide.

Network Service

Intrastate communications Service providing one-way and/or two-way information transmissions originating from points within the State of New Jersey.

Non-recurring Charges

A one-time charge associated with a specific item of equipment or service. This charge applies to installation and to subsequent modifications.

Physical Change

The modification of an existing circuit at the request of a Customer and requiring some physical change or re-termination.

Premises

The space designated by a Customer at its, or its Authorized User's, place or places of business for termination of Company service whether for the Customer's or its Authorized User's communications needs.

Service Commencement Date

The first date on which the Company notifies the Customer that the requested Service or facility is available for use, unless extended by the Customer's refusal to accept Service which does not conform to standards set forth in the Service Order or this Service Guide, in which case the Service Commencement Date is the date of the Customer's acceptance. The Company and the Customer may mutually agree on a substitute Service Commencement Date. If the Company does not have an executed Service Order from a Customer, the Service Commencement Date will be the first date on which the Service or facility was used by a Customer.

---

1. DEFINITIONS (cont'd)

Service Order

The written request for dedicated Services executed by the Customer and the Company in the format devised by the Company. The signing of a Service Order by the Customer and acceptance by the Company initiates the respective obligations of the parties as set forth therein and pursuant to this Service Guide, but the duration of the Service is calculated from the Service Commencement Date. Should a Customer use the Company's dedicated Service without an executed Service Order, the Company will then request the Customer to submit a Service Order.

Service Order Cancellation

A Customer-initiated request to discontinue processing a service order, either in part or in its entirety, prior to commencement of service.

Service Point of Demarcation

The location or locations where the Company's equipment is interconnected with the facilities provided by the Customer.

Shared

A facility or equipment system or subsystem that can be used simultaneously by several Customers.

## 2. REGULATIONS (cont'd)

### 2.1 Undertaking of the Company (cont'd)

#### 2.1.4 Limitations on Liability (cont'd)

- G) The Company assumes no responsibility for the availability or performance of any cable or satellite systems or related facilities under the control of other entities, or for other facilities provided by other entities used for Service to the Customer, even if the Company has acted as the Customer's agent in arranging for such facilities or Services. Such facilities are provided subject to such degree of protection or nonpreemptibility as may be provided by the other entities.
- H) Except as otherwise stated in this Service Guide, any claim of whatever nature against the Company shall be deemed conclusively to have been waived unless presented in writing to the Company within thirty (30) days after the date of the occurrence that gave rise to the claim.
- I) THE COMPANY MAKES NO WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED EITHER IN FACT OR BY OPERATION OF LAW, STATUTORY OR OTHERWISE, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE, EXCEPT THOSE EXPRESSLY SET FORTH HEREIN.

2. REGULATIONS (cont'd)

2.1 Undertaking of the Company (cont'd)

2.1.5 Testing and Adjusting

Upon suitable notice, the Company may make such tests, adjustments, and inspections as may be necessary to maintain the Company's facilities in satisfactory operating condition. No interruption allowance will be credited to the Customer for the period during which the Company makes such tests, adjustments, or inspections.

---

## 2. REGULATIONS (cont'd)

### 2.1 Undertaking of the Company (cont'd)

#### 2.1.6 Provision of Equipment and Facilities

- A) Except as otherwise indicated, Customer-provided station equipment at the Customer's Premises for use in conjunction with this Service shall be so constructed, maintained, and operated as to work satisfactorily with the facilities of the Company.
- B) The Company shall not be responsible for the Installation, operation, or maintenance of any Customer-provided communications equipment. Where such equipment is connected to Service furnished pursuant to this Service Guide, the responsibility of the Company shall be limited to the furnishing of Services under this Service Guide and to the maintenance and operation of such Services in the proper manner. Subject to this responsibility, the Company shall not be responsible for:
  - 1) the through transmission of signals generated by Customer-provided equipment or for the quality of, or defects in, such transmission; or
  - 2) the reception of signals by Customer-provided equipment; or
  - 3) network control signaling where such signaling is performed by Customer-provided network control signaling equipment.

---

## 2. REGULATIONS (cont'd)

### 2.1 Undertaking of the Company (cont'd)

#### 2.1.7 Special Construction

Subject to the arrangement of the Company and to all of the regulations contained in this Service Guide, special construction of facilities may be undertaken on a reasonable efforts basis at the request of the Customer. Special construction is that construction undertaken:

- A) where facilities are not presently available, and there is no other requirement for the facilities so constructed;
- B) of a type other than that which the Company would normally utilize in the furnishing of its Services;
- C) over a route other than that which the Company would normally utilize in the furnishing of its Services;
- D) in a quantity greater than that which the Company would normally construct;
- E) on an expedited basis;
- F) on a temporary basis until permanent facilities are available;
- G) involving abnormal costs; or
- H) in advance of its normal construction.

Special construction charges will be determined as described herein.

2. REGULATIONS (cont'd)

2.1 Undertaking of the Company (cont'd)

2.1.8 Ownership of Facilities

Title to all facilities provided in accordance with this Service Guide remains in the Company, its agents, contractors, or suppliers.

---

## 2. REGULATIONS (cont'd)

### 2.2 Prohibited Uses

- 2.2.1 The Services the Company offers shall not be used for any unlawful purpose or for any use for which the Customer has not obtained all required governmental approvals, authorization, licenses, consents, and permits.
- 2.2.2 The Company may require applicants for Service who intend to use the Company's offering for resale and/or for shared use to file a letter with the Company confirming that their use of the Company's offering complies with relevant laws and regulations, policies, orders, and decisions.
- 2.2.3 The Company may require a Customer to immediately shut down its transmission if such transmission is causing interference to others.
- 2.2.4 A Customer, joint user, or authorized user may not assign, or transfer in any manner, the Service or any rights associated with the Service without the written consent of the Company. The Company will permit a Customer to transfer its existing Service to another entity if the existing Customer has paid all charges owed to the Company for regulated access Services. Such a transfer will be treated as a disconnection of existing Service and Installation of new Service, and non-recurring Installation charges as stated in this Service Guide will apply.

2. REGULATIONS (cont'd)

2.3 Obligations of the Customer

2.3.1 Customer Premises Provisions

- A) The Customer shall provide the personnel, power, and space required to operate all facilities and associated equipment installed on the Premises of the Customer.
- B) The Customer shall be responsible for providing Company personnel access to Premises of the Customer at any reasonable hour for the purpose of testing the facilities or equipment of the Company.

---

## 2. REGULATIONS (cont'd)

### 2.3 Obligations of the Customer (cont'd)

#### 2.3.2 Liability of the Customer

- A) The Customer will be liable for damages to the facilities of the Company and for all incidental and consequential damages caused by the negligent or intentional acts or omissions of the Customer, its officers, employees, agents, invitees, or contractors where such acts or omissions are not the direct result of the Company's negligence or intentional misconduct.
  
- B) To the extent caused by any negligent or intentional act of the Customer as described in (A), preceding, the Customer shall indemnify, defend and hold harmless the Company from and against all claims, actions, damages, liabilities, costs and expenses, including reasonable attorneys' fees, for (1) any loss, destruction, or damage to property of any third party, (2) the death of or injury to persons, including, but not limited to, employees or invitees of either party, and (3) any liability incurred by the Company to any third party pursuant to this or any other Service Guide of the Company, or otherwise, for any interruption of, interference to, or other defect in any Service provided by the Company to such third party.

2. REGULATIONS (cont'd)

2.3 Obligations of the Customer (cont'd)

2.3.2 Liability of the Customer (cont'd)

- C) The Customer shall not assert any claim against any other Customer or user of the Company's Services for damages resulting in whole or in part from or arising in connection with the furnishing of Service under this Service Guide including but not limited to mistakes, omissions, interruptions, delays, errors, or other defects or misrepresentations, whether or not such other Customer or user contributed in any way to the occurrence of the damages, unless such damages were caused solely by the negligent or intentional act or omission of the other Customer or user and not by any act or omission of the Company. Nothing in this Service Guide is intended either to limit or to expand Customer's right to assert any claims against third parties for damages of any nature other than those described in the preceding sentence.

---

## 2. REGULATIONS (cont'd)

### 2.4 Customer Equipment and Channels

#### 2.2.1 Interconnection of Facilities

##### A) Customer Provided Equipment

Customer provided terminating equipment such as CSUs, multiplexers, and other terminating equipment may, at the Customer's request, be provided by the Customer, at the Customer's expense. Carrier makes no guarantees or warranties as to the performance of Customer provided equipment.

- B) In order to protect the Company's facilities and personnel and the Services furnished to other Customers by the Company from potentially harmful effects, the signals applied to the Company's Service shall be such as not to cause damage to the facilities of the Company. Any special interface equipment necessary to achieve the compatibility between facilities of the Company and the channels or facilities of others shall be provided at the Customer's expense.

---

## 2. REGULATIONS (cont'd)

### 2.4 Customer Equipment and Channels (cont'd)

#### 4.4.2 Inspections

- A) The Company may, upon notification to the Customer, at a reasonable time, make such tests and inspections as may be necessary to determine that the requirements regarding the equipment and interconnections are being complied with in respect to the Installation, operation and maintenance of Customer-provided equipment and in the wiring of the connection of Customer channels to Company-owned facilities.
  
- B) If the protective requirements in connections with Customer provided equipment are not being complied with, the Company may take such action as necessary to protect its facilities and personnel and will promptly notify the Customer by registered mail in writing of the need for protective action. In the event that the Customer fails to advise the Company within 10 days after such notice is received or within the time specified in the notice that corrective action has been taken, the Company may take whatever additional action is deemed necessary, including canceling Service, to protect its facilities and personnel from harm. The Company will upon request 24 hours in advance provide Customer with a statement of technical parameters that the Customer's equipment must meet.

---

## 2. REGULATIONS (cont'd)

### 2.4 Customer Equipment and Channels (cont'd)

#### 2.4.3 Station Equipment

- A) Customer-provided terminal equipment on the Premises of the Customer or other authorized user, the operating personnel there, and the electric power consumed by such equipment shall be provided by and maintained at the expense of the Customer, authorized user, or joint user.
- B) The Customer or other authorized user is responsible for ensuring that Customer-provided equipment connected to Company equipment and facilities is compatible with such equipment and facilities. The magnitude and character of the voltages and currents impressed on Company-provided equipment and wiring by the connection, operation, or maintenance of such equipment and wiring shall be such as not to cause damage to the Company-provided equipment and wiring or injury to the Company's employees or to other persons. Any additional protective equipment required to prevent such damage or injury shall be provided by the Company at the Customer's expense.

#### 2.4.4 Interconnection Provisions

Facilities furnished under this Service Guide may be connected to Customer-provided terminal equipment in accordance with the provisions of this Service Guide.

---

## 2. REGULATIONS (cont'd)

### 2.5 Customer Deposits and Advance Payments

#### 2.5.1 Advance Payments

To safeguard its interests, the Company may require a Customer to make an advance payment before Services and facilities are furnished. The advance payment will not exceed an amount up to two months of estimated monthly usage charges. In addition, where special construction is involved, the advance payment may also include an amount equal to the estimated non-recurring charges for the special construction and recurring charges (if any) for a period to be set between the Company and the Customer. The advance payment will be credited to the Customer's initial bill. An advance payment may be required in addition to a deposit.

#### 2.5.2 Deposits

- A) To safeguard its interests, the Company may require the Customer to make a deposit to be held as a guarantee for the payment of charges. A deposit does not relieve the Customer of the responsibility for the prompt payment of bills on presentation. The deposit will not exceed an amount equal to:
- 1) two months' charges for a Service or facility which has a minimum payment period of one month; or
  - 2) the charges that would apply for the minimum payment period for a Service or facility which has a minimum payment period of more than one month; except that the deposit may include an additional amount in the event that a termination charge is applicable.
- B) A deposit may be required in addition to an advance payment.

---

## 2. REGULATIONS (cont'd)

### 2.5 Customer Deposits and Advance Payments (cont'd)

#### 2.5.2 Deposits (cont'd)

- C) When a Service or facility is discontinued, the amount of a deposit, if any, will be applied to the Customer's account and any credit balance remaining will be refunded. Before the Service or facility is discontinued, the Company may, at its option, return the deposit or credit it to the Customer's account. If the amount of the deposit is insufficient to cover the balance due to the Customer's account, the Company retains the right to collect any amounts owing after the deposit has been applied plus any costs related to the collection of any remaining balance.
- D) Deposits held will accrue interest at a rate specified by the Board without deductions for any taxes on such deposits. Interest will not accrue on any deposit after the date on which reasonable effort has been made to return it to the Customer.

2. REGULATIONS (cont'd)

2.6 Payment Arrangements

2.6.1 Payment for Service

The Customer is responsible for the payment of all charges for facilities and Services furnished by the Company to the Customer.

A) Taxes

The Customer is responsible for payment of any sales, use, gross receipts, excise, access, or other local, state and federal taxes, charges or surcharges (however designated) (excluding taxes on the Company's net income) imposed on or based upon the provision, sale, or use of Network Services.

---

## 2. REGULATIONS (cont'd)

### 2.6 Payment Arrangements (cont'd)

#### 2.6.2 Billing and Collection of Charges

The Customer is responsible for payment of all charges incurred by the Customer or other users for Services and facilities furnished to the Customer by the Company.

- A) Non-recurring charges are due and payable within 30 days after the date of the invoice.
- B) The Company shall present invoices for Recurring Charges monthly to the Customer, in advance of the month in which Service is provided, and Recurring Charges shall be due and payable within 30 days after the date of the invoice. When billing is based upon Customer usage, usage charges will be billed monthly for the preceding billing period.
- C) When Service does not begin on the first day of the month, or end on the last day of the month, the charge for the fraction of the month in which Service was furnished will be calculated on a pro rata basis. For this purpose, every month is considered to have 30 days.

## 2. REGULATIONS (cont'd)

### 2.6 Payment Arrangements (cont'd)

#### 2.6.2 Billing and Collection of Charges (cont'd)

- D) Billing of the Customer by the Company will begin on the Service Commencement Date, which is the day on which the Company notifies the Customer that the Service or facility is available for use, except that the Service Commencement Date may be postponed by mutual agreement of the parties, or if the Service or facility does not conform to standards set forth in this Service Guide or the Service Order. Billing accrues through and includes the day that the Service, circuit, arrangement, or component is discontinued.
- E) If any portion of the payment is received by the Company after the date due, or if any portion of the payment is received by the Company in funds which are not immediately available upon presentment, then a late payment penalty shall be due to the Company. The late payment penalty shall be the portion of the payment not received by the date due, multiplied by a late factor. The late factor shall be the lesser of:
  - 1) a rate of 1.5 percent per month; or
  - 2) the highest interest rate which may be applied under state law for commercial transactions.
- F) The Customer will be assessed a charge of twenty-five dollars (\$25.00) for each check submitted by the Customer to the Company which a financial institution refuses to honor.
- G) If Service is disconnected by the Company in accordance with Section 2.6.4 following and later reinstalled, Service will be subject to all applicable Installation charges. If Service is suspended by the Company and later restored, Service will be subject to all applicable restoration charges.

---

## 2. REGULATIONS (cont'd)

### 2.6 Payment Arrangements (cont'd)

#### 2.6.3 Billing Disputes

##### A) General

All bills are presumed accurate, and shall be binding on the Customer unless notice of the disputed charge(s) is received by the Company within 90 days (commencing 5 days after such bills have been mailed or otherwise rendered per the Company's normal course of business). For the purposes of this section, "notice" is defined as written notice to the Company, containing sufficient documentation to investigate the dispute, including the account number under which the bill has been rendered, the date of the bill, and the specific items on the bill being disputed.

##### B) Late Payment Charge

- 1) The undisputed portions of the bill must be paid by the payment due date to avoid assessment of a late payment charge on the undisputed amount as provided in this Service Guide.
- 2) In the event that a billing dispute is resolved by the Company in favor of the Customer, any disputed amount withheld pending resolution of the billing dispute shall not be subject to the late payment charge.
- 3) In the event that a billing dispute is resolved in favor of the Company, the Customer shall pay the late payment charge.

2. REGULATIONS (cont'd)

2.6 Payment Arrangements (cont'd)

2.6.3 Billing Disputes (cont'd)

C) Adjustments or Refunds to the Customer

- 1) In the event that the Company resolves the billing dispute in favor of a Customer who has withheld payment of the disputed amount pending resolution of the disputed bill, the Company will credit the Customer's account for the disputed amount in the billing period following the resolution of the dispute.
- 2) In the event that the Company resolves the billing dispute in favor of a Customer who has paid the total amount of the disputed bill, the Company will credit the Customer's account for any overpayment by the Customer in the billing period following the resolution of the dispute.
- 3) In the event that the Company resolves the billing dispute in favor of a Customer who has paid the total amount of the disputed bill but canceled the Service, the Company will issue a refund of any overpayment by the Customer.

---

## 2. REGULATIONS (cont'd)

### 2.6 Payment Arrangements (cont'd)

#### 2.6.3 Billing Disputes (cont'd)

##### C) Adjustments or Refunds to the Customer (Cont'd)

- 4) All adjustments or refunds provided by the Company to the Customer at the Customer's request, or provided by the Company to the Customer by way of compromise of a billing dispute, and which are accepted by the Customer, are final and constitute full satisfaction, settlement, and/or compromise of all of the Customer's claims for the billing period for which the adjustment or refund was issued.

##### D) Unresolved Billing Disputes

In the case of a billing dispute between the Customer and the Company for Service furnished to the Customer, which cannot be settled to the mutual satisfaction of the Customer and the Company, the Customer has up to 90 days (commencing 5 days after such bills have been mailed or otherwise rendered per the Company's normal course of business) to take the following course of action.

- 1) First, the Customer may request and the Company will provide an in-depth review of the disputed amount.
- 2) Second, if after investigation and review by the Company, a disagreement remains as to the disputed amount, the Customer may file an appropriate complaint with:

## 2. REGULATIONS (cont'd)

### 2.6 Payment Arrangements (cont'd)

#### 2.6.4 Discontinuance of Service for Cause

- A) Upon nonpayment of any amounts owing to the Company, the Company may, by giving 24 hours prior written notice to the Customer, discontinue or suspend Service without incurring any liability.
- B) Upon violation of any of the other material terms or conditions for furnishing Service the Company may, by giving 24 hours prior notice in writing to the Customer, discontinue or suspend Service without incurring any liability if such violation continues during that period.
- C) Upon condemnation of any material portion of the facilities used by the Company to provide Service to a Customer or if a casualty renders all or any material portion of such facilities inoperable beyond feasible repair, the Company, by notice to the Customer, may discontinue or suspend Service without incurring any liability.
- D) Upon the Customer's insolvency, assignment for the benefit of creditors, filing for bankruptcy or reorganization, or failing to discharge an involuntary petition within the time permitted by law, the Company may immediately discontinue or suspend Service without incurring any liability.
- E) Upon any governmental prohibition or required alteration of the Services to be provided or any violation of an applicable law or regulation, the Company may immediately discontinue Service without incurring any liability.

---

## 2. REGULATIONS (cont'd)

### 2.6 Payment Arrangements (cont'd)

#### 2.6.4 Discontinuance of Service for Cause (cont'd)

- F) In the event of fraudulent use of the Company's network, the Company may without notice suspend or discontinue Service. The Customer will be liable for all related costs. The Customer will also be responsible for payment of any reconnection charges.
- G) Upon the Company's discontinuance of Service to the Customer under this section, the Company, in addition to all other remedies that may be available to the Company at law or in equity or under any other provision of this Service Guide, may declare all future monthly and other charges which would have been payable by the Customer during the remainder of the term for which such Services would have otherwise been provided to the Customer to be immediately due and payable (discounted to present value at six percent).

#### 2.6.5 Notice to Company for Cancellation of Service

Customers desiring to terminate Service shall provide Company thirty (30) days written notice of their desire to terminate Service.

---

## 2. REGULATIONS (cont'd)

### 2.6 Payment Arrangements (cont'd)

#### 2.6.6 Customer Overpayment

The Company will pay interest on a Customer overpayment. Customer overpayment shall mean a payment to the Company in excess of the correct charges for Service when caused by erroneous billing by the Company. The rate of interest shall be the unadjusted interest rate paid on Customer deposits or the late payment penalty rate, whichever is greater. Interest shall be paid from the date when the Customer overpayment was made, adjusted for any changes in the deposit interest rate or late payment penalty rate, and compounded monthly, until the date when the overpayment is refunded. No interest shall be paid on Customer overpayments that are refunded within thirty (30) days after such overpayment is received by the Company.

2. REGULATIONS (cont'd)

2.6 Payment Arrangements (cont'd)

2.6.7 Cancellation of Application for Service

- A) The Customer may cancel an application for Service prior to Installation of the equipment provided that the Customer immediately pay the Company any out of pocket expenses incurred by the Company plus a cancellation fee of two times the applicable monthly recurring Service charge.
- B) Out of pocket expenses include but are not limited to the cost of the equipment, facilities, and material, the cost of Installation, engineering, labor, and supervision, general and administrative expense, other disbursements, depreciation, maintenance, taxes, provision for return on investment, and any other costs associated with the special construction or arrangements.

---

## 2. REGULATIONS (cont'd)

### 2.7 Allowances for Interruptions in Service

#### 2.7.1 General

- A) A credit allowance will be given when Service is interrupted, except as specified below. A Service is interrupted when it becomes inoperative to the Customer, e.g., the Customer is unable to transmit or receive, because of a failure of a component furnished by the Company under this Service Guide.
- B) An interruption period begins when the Customer reports a Service, facility or circuit to be inoperative and, if necessary, releases it for testing and repair. An interruption period ends when the Service, facility or circuit is operative.
- C) If the Customer reports a Service, facility, or circuit to be interrupted but declines to release it for testing and repair, the Service, facility or circuit is considered to be impaired but not interrupted. No credit allowances will be made for a Service, facility, or circuit considered by the Company to be impaired.
- D) The Company shall notify the Board of any major interruptions in service that affect the Company's entire system or any major division, on the same day as the outage occurs or at the start of the next business day if outage occurs after normal business hours. Major interruptions are those that affect or more 1000 Customers and lasting longer than thirty (30) minutes.

---

## 2. REGULATIONS (cont'd)

### 2.7 Allowances for Interruptions in Service (cont'd)

#### 2.7.2 Limitations of Allowances

No credit allowance will be made for any interruption in Service:

- A) Due to the negligence of or noncompliance with the provisions of this Service Guide by any person or entity other than the Company, including but not limited to the Customer or other common carriers connected to the Service of the Company;
- B) Due to the failure of power, equipment, systems, connections, or Services not provided by the Company;
- C) Due to circumstances or causes beyond the control of the Company;
- D) During any period in which the Company is not given full and free access to its facilities and equipment for the purposes of investigating and correcting interruptions;
- E) During any period in which the Customer continues to use the Service on an impaired basis;
- F) During any period when the Customer has released Service to the Company for maintenance purposes or for implementation of a Service Order for a change in Service arrangements;
- G) That occurs or continues due to the Customer's failure to authorize replacement of any element of special construction; and
- H) That was not reported to the Company within thirty (30) days of the date that Service was affected.

---

## 2. REGULATIONS (cont'd)

### 2.7 Allowances for Interruptions in Service (cont'd)

#### 2.7.3 Use of Another Means of Communications

If the Customer elects to use another means of communications during the period of interruption, the Customer must pay the charges for the alternative Service used.

#### 2.7.4 Application of Credits for Interruptions in Service

- A) Credits for interruptions in Service that is provided and billed on a flat rate basis for a minimum period of at least one month, beginning on the date that billing becomes effective, shall in no event exceed an amount equivalent to the proportionate charge to the Customer for the period of Service during which the event that gave rise to the claim for a credit occurred. A credit allowance is applied on a pro rata basis against the rates specified hereunder and is dependent upon the length of the interruption. Only those facilities on the interrupted portion of the circuit will receive a credit.
- B) For calculating credit allowances, every month is considered to have thirty (30) days.
- C) A credit allowance will be given for interruptions in Service of 15 minutes or more. Two or more interruptions of 15 minutes or more during any one 24-hour period shall be considered as one interruption.

---

 2. REGULATIONS (cont'd)
2.7 Allowances for Interruptions in Service (cont'd)2.7.4 Application of Credits for Interruptions in Service (cont'd)D) Interruptions of 24 Hours or Less

<u>Length of Interruption</u>	<u>Interruption Period To Be Credited</u>
Less than 15 minutes	None
15 minutes up to but not including 3 hours	1/10 Day
3 hours up to but not including 6 hours	1/5 Day
6 hours up to but not including 9 hours	2/5 Day
9 hours up to but not including 12 hours	3/5 Day
12 hours up to but not including 15 hours	4/5 Day
15 hours up to but not including 24 hours	One Day

E) Continuous Interruption Over 24 Hours and Less Than 72 Hours. Interruptions over 24 hours and less than 72 hours will be credited 1/5 day for each three-hour period or fraction thereof that occurs following the expiration of the initial 24-hour period. No more than one full day's credit will be allowed for any period of 24 hours.

F) Interruptions Over 72 Hours. Interruptions over 72 hours will be credited 2 days for each full 24-hour period that occurs following the expiration of the initial 72-hour period. No more than 30 days credit will be allowed for any one-month period.

## 2. REGULATIONS (cont'd)

### 2.7 Allowances for Interruptions in Service (cont'd)

#### 2.7.5 Cancellation For Service Interruption

Cancellation or termination for Service interruption is permitted only if any circuit experiences a single continuous outage of 8 hours or more or cumulative Service credits equaling 16 hours in a continuous 12-month period. The right to cancel Service under this provision applies only to the single circuit which has been subject to the outage or cumulative Service credits.

---

## 2. REGULATIONS (cont'd)

### 2.8 Cancellation of Service/Termination Liability

If a Customer cancels a Service Order or terminates Services before the completion of the term for any reason whatsoever other than a Service interruption, Customer agrees to pay to Company termination liability charges, which are defined below. These charges shall become due and owing as of the effective date of the cancellation or termination and be payable within the period set forth in this Service Guide.

#### 2.8.1 Termination Liability

Customer's termination liability for cancellation of Service shall be equal to:

- A) all unpaid Non-Recurring charges reasonably expended by Company to establish Service to Customer, plus;
- B) any disconnection, early cancellation or termination charges reasonably incurred and paid to third parties by Company on behalf of Customer, plus;
- C) all Recurring Charges specified in the applicable Service Order for the balance of the then current term discounted at the prime rate announced in the Wall Street Journal on the third business day following the date of cancellation;
- D) minus a reasonable allowance for costs avoided by the Company as a direct result of Customer's cancellation.

---

## 2. REGULATIONS (cont'd)

### 2.9 Customer Liability for Unauthorized Use of the Network

#### 2.9.1 Unauthorized Use of the Network

- A) Unauthorized use of the Network occurs when: (1) a person or entity that does not have actual, apparent, or implied authority to use the Network, obtains the Company's Services provided under this Service Guide; or (2) a person or entity that otherwise has actual, apparent, or implied authority to use the Network, makes fraudulent use of the Network to obtain the Company's Services provided under this Service Guide, or uses specific Services that are not authorized.
- B) The following activities constitute fraudulent use:
- 1) Using the Network to transmit a message, locate a person, or otherwise give or obtain information, without payment for the Service;
  - 2) Using or attempting to use the Network with the intent to avoid payment, either in whole or part, of any of the Company's Service Guides charges by either rearranging, tampering with, or making connections not authorized by this Service Guide to any Service components used to furnish the Company's Services or using fraudulent means or devices, tricks, schemes, false or invalid numbers, false credit devices or electronic devices;
  - 3) Using fraudulent means or devices, tricks, schemes, false or invalid numbers, false credit devices or electronic devices to defraud or mislead callers.

2. REGULATIONS (cont'd)

2.9 Customer Liability for Unauthorized Use of the Network (cont'd)

2.9.1 Unauthorized Use of the Network (cont'd)

- C) Customers are advised that use of telecommunications equipment and Services, including that provided under this Service Guide, carries a risk of various forms of telecommunications fraud (including, but not limited to, toll and PBX fraud perpetrated by Users who gain access to a Customer's facilities, account numbers, security, or authorization codes, etc.). Customers should take all necessary steps to restrict access to their facilities, including the equipment and Services provided hereunder, and to detect and prevent unauthorized use of the equipment and Services provided by the Company under this Service Guide.

---

## 2. REGULATIONS (cont'd)

### 2.9 Customer Liability for Unauthorized Use of the Network (cont'd)

#### 2.9.2 Liability for Unauthorized Use

- A) Except as provided for elsewhere in this Service Guide, the Customer is responsible for payment of all charges for Services provided under this Service Guide furnished to the Customer or User. This responsibility is not changed due to any use, misuse, or abuse of the Customer's Service or Customer-provided equipment by Users or other third parties, the Customer's employees, or the public.
- B) The Customer is liable for all costs incurred as a result of unauthorized use of the Network, including Service charges and any direct, indirect, special, incidental, reliance, consequential, exemplary, or punitive charges.
- C) The Customer is responsible for payment of any charges related to the suspension and/or termination of Service, and any charges for reconnection of Service, incurred as a result of unauthorized use of the Network.

#### 2.10 Back Billing

Carrier shall be entitled to revise bills previously rendered to adjust for previously rendered unbilled Service, or adjust upward a bill previously rendered, assuming that the Customer was aware of the unbilled Services during the period the Services were unbilled, which shall be no more than 18 months prior to the month in which the billing error was discovered.

---

## SECTION 3. DESCRIPTION OF SERVICES

### 3.1 General

The various types of Service offered by the Company are described below. The Company's Services are billed at predetermined monthly rates, unless there is a contract for a longer billing period. Recurring charges are billed in advance of the month in which the Service is provided. Any optional features and extraordinary Installation costs other than recurring and nonrecurring charges may apply as described herein. Customers requesting these Services may subscribe to Services on an individual case basis as described in Section 3.6.

### 3.2 Service Configurations

There are two types of Service configuration over which Company's Services are provided: point-to-point and multipoint Service.

#### 3.2.1 Point-to-Point Service

Point-to-Point Service connects two Premises designated by the Customer, either on a directly-connected basis, or through a hub where multiplexing functions are performed.

#### 3.2.2 Multipoint Service

Multipoint Services connect three or more Premises designated by the Customer through a Company hub. While there is no limitation on the number of locations that may be connected through multipoint Service, the quality of Service may be degraded when more than three points are connected. Multipoint Services may be provided where it is technically possible to provide those Services. However, if the Company determines that the requested multipoint Service is not feasible, the Customer will be notified and provided an opportunity to change the order within forty-five (45) days.

---

## SECTION 3. DESCRIPTION OF SERVICES (Cont'd)

### 3.3 Service Descriptions and Technical Specifications

The Company plans to offer the following Services:

#### 3.3.1 10Mbps to 50Mbps (in 10Mb increments), 100Mbps through 1Gbps (in 100Mb increments) and 10Gbps Ethernet Service

The Company provides point-to-point Ethernet Services provided between locations designated by the Customer and/or between such locations and a Company hub, through fiber optic cable owned or controlled by Company.

#### 3.3.2 DS-1 through OC-192 Private Line Service

The Company provides Private Line Service designed to transport high-bandwidth voice, data, and video applications that demand the full-time availability of a dedicated Service. This provides point-to-point or point to multi-point dedicated connections between two or more of your locations or local access to an interexchange carrier (IXC) point of presence (POP).

#### 3.3.3 2.5Gbps and 10Gbps Wavelengths

The Company provides point-to-point Wavelength Services provided between locations designated by the Customer and/or between such locations and a Company hub, through fiber optic cable owned or controlled by Company.

---

### 3. DESCRIPTION OF SERVICES (Cont'd)

#### 3.4 Rate Categories

There are six rate categories that may apply to the Company's Services.

##### 3.4.1 Monthly Recurring Charges ("MRC")

Monthly Recurring Charges are charges invoiced to the Customer on a monthly basis for all months the Service is in place.

##### 3.4.2 Nonrecurring Charges ("NRC")

Nonrecurring Charges are one-time charges to the Customer that do not occur on a recurring basis. Service Installation charges, special construction and customer Premise visits are included in Nonrecurring Charges.

##### 3.4.3 Extraordinary Charges

From time to time, Customers may request special Services not addressed specifically by rate elements in this Service Guide, or Services to locations that may cause Company to incur extraordinary expenses not contemplated in the provision of standard Service offerings. These costs include, but are not limited to:

Additional construction costs

Building space rental or rights-of-way costs

Additional equipment

Special facilities routing

In these cases, the Customer will be billed additional charges on an ICB.

##### 3.4.4 Volume Discounts

Where the Customer subscribes to substantial volumes of the Company's Private Line, Ethernet, or Wavelength Services, discounts for specified dollar volumes of traffic to a specific location or aggregate dollar volumes may apply on an individual customer basis.

### 3. DESCRIPTION OF SERVICES (Cont'd)

#### 3.4 Rate Categories (Cont'd)

##### 3.4.5 Term Discounts

Customers will be eligible for discounts for executing Service Orders with terms longer than one year, as follows:

<u>2 Year Term</u>	<u>3 Year Term</u>	<u>5 Year Term</u>
5% discount	10% discount	15% discount

#### 3.5 Application of Rate Elements

### 3. DESCRIPTION OF SERVICES (Cont'd)

#### 3.6 Contract Rates – Special Pricing Arrangements – ICB

3.6.1 In lieu of the rates otherwise set forth in this Service Guide, rates and charges, including minimum usage, Installation, special construction and recurring charges for Carrier's Services may be established at negotiated rates on an ICB, taking into account the nature of the facilities and Services, the costs of construction and operation, the volume of traffic, the length of Service commitment by the Customer, and use of facilities by other Customers. Such arrangements shall be considered Special Pricing Arrangements, the terms of which will be set forth in individual Customer contracts. However, unless otherwise specified, the terms, conditions, obligations, and regulations set forth in this Service Guide shall be incorporated into, and become a part of, said contract, and shall be binding on Carrier and Customer. Specialized rates or charges will be made available to similarly situated Customers on a non-discriminatory basis.

3.6.2 In addition to any rate or charge established by the Company, the Customer will also be responsible for any recurring or non-recurring charges imposed by telephone companies incurred by or on behalf of the Customer in establishing and maintaining Service. Such charges may be billed by the Company or directly by the telephone company, at the Company's option.

#### 3.7 Taxes

##### 3.7.1 Sales, Use and Excise Taxes

In addition to all recurring, non-recurring, usage or special charges, Customer shall also be responsible for and shall pay all applicable federal, state and local sales, use and excise taxes.

### 3. DESCRIPTION OF SERVICES (Cont'd)

#### 3.8 Temporary Promotional Programs

The Carrier may establish temporary promotional programs, wherein it may waive or reduce recurring or non-recurring charges, to introduce a present or potential Customer to a Service not previously received by the Customer.

## 4. RATES AND CHARGES

### 4.1 General Regulations

4.1.1 Except as specifically indicated, the rates set forth in this section are for transport Services where the originating and terminating points are on Company's existing network. In all other situations, special construction charges may apply in order to connect locations to Company's network.

4.1.2 Services may be provided using one, or a combination of rate elements as outlined in this Service Guide.

### 4.2 Charges for Changes to Pending Orders, Service Rearrangements and Expedite Charges

From time to time, Customers may request changes to pending orders, rearrangements to existing Service, and order completion to standard intervals. In these cases, the Customer will be required to reimburse the Company for the increased expenses incurred on an ICB.

### 4.3 Special Construction

#### 4.3.1. Bases for Rates and Charges

Rates and charges for special construction will be based on the costs incurred by the Company and may include (1) nonrecurring type charges; (2) recurring type charges; (3) termination liabilities; or (4) combinations thereof.

---

#### 4. RATES AND CHARGES (Cont'd)

4.3.2 The costs referred to in Section 4.4.1 may include one or more of the following items to the extent that they are applicable:

- A. Installed cost of the facilities, including estimated costs for the rearrangement of existing facilities. Cost installed includes the cost of:
  - 1. equipment and materials provided or used,
  - 2. engineering, labor and supervision,
  - 3. transportation, and
  - 4. rights-of-way;
- B. cost of maintenance;
- C. depreciation on the estimated installed cost of any facilities provided, based on the anticipated useful Service life of the facilities with an appropriate allowance for the estimated net salvage;
- D. administration, taxes, and uncollectible revenue on the basis of reasonable average costs for these items;
- E. license preparation, processing, and related fees;
- F. Service Guide preparation, processing, and related fees; or
- G. any other identifiable costs related to the facilities provided.
